Parthiv Binish

As a passionate and motivated BCA student at St. Joseph's Academy of Higher Education & Research, I thrive in the world of technology and programming. My journey has equipped me with strong skills in languages like C, C++, Linux ,JavaScript, PHP, MySQL, Java, REACT , FastAPI and web technologies like HTML and CSS. I am also certified in Cyber Security Analytics (CCSA), which has deepened my understanding of creating secure, efficient, and innovative web applications.
